 **The Chelly Foundation**

We are delighted to host a very special fundraiser to support The Chelly Foundation, an organization near and dear to our hearts. The Chelly Foundation is an inspiring organization that focuses on improving the health and education of childrens' lives in a remote rural area of Cambodia. Nan Nop (pictured above) grew up in the shadow of the Khmer Rouge, survived a harrowing childhood, and came to the United States in 1999 not knowing a word of English. Today, Nan is a U.S. citizen and lead volunteer for The Chelly Foundation, giving back to her home village and transforming the lives of hundreds of children in poverty. Please join us along with Amy's beloved colleague Jason R. Baron, a lawyer in D.C. who founded the charity after pledging to Nan that he wished to do something for her home village in return for the incredible kindness she had shown as a nurse assistant to Jason's late Mom during the last years of his Mom's life. We are very excited to host this event and honor the spreading of kindness and love. We will have good food and, weather permitting, outdoor activities. We hope you can join us!
